

Programs Funded from April 1, 2020 to March 31, 2021

The following is an overview of CHF funded agencies that all work in partnership under Calgary's Homeless Serving System of Care.

## Abbreviations & Definitions:

**F:** Federally Funded

**P:** Provincially Funded

**AH:** Alberta Health Funded

**D:** Funded Through Donations

**SSSH:** Scattered Site Supportive Housing - case management and housing supports for individuals with the goal that over time, with case management support, the client(s) will be able to achieve housing stability and independence. Placements are not designated to one specific building, rather individuals and families are housed in the community independently.

**PBSH:** Place-Based Supportive Housing - case management and housing supports for individuals with the goal that over time, with case management support, the client(s) will be able to achieve housing stability and independence. Placements are designated to specific buildings and/or locations, often with agency supports on site.

**Complexity Level** - An assessment of the level of complexity of a person's experience. Higher acuity typically relates to higher complexity.

**ACM:** Adaptive Case Management - programs that offer client directed, flexible supports and financial assistance to those experiencing homelessness, to secure and sustain housing.

**Chronically Homeless** - Must have been sleeping in a place not meant for human habitation (e.g., living on the streets) and/or in an emergency homeless shelter; and must have been continuously homeless for a year or more, or have had at least four (4) episodes of homelessness in the past three years.

**Episodically Homeless** have been sleeping in a place not meant for human habitation (e.g., living on the streets) and/or in an emergency homeless shelter; and must have been continuously homeless for less than a year, or have had less than four (4) episodes of homelessness in the past three years

**Placed Based Housing** - A purpose built or designated affordable housing unit/complex. Typically used for PBSH programs.

**Scattered-Site Housing** - Individual housing units scattered throughout the city.

### Housing First:

Immediate access to permanent housing with no housing readiness requirements  
Consumer choice and self-determination  
Recovery orientation, focusing on individual well-being, including harm reduction  
Individualized and client-driven supports  
Social and community integration
