

2016 CHF Program Funding

Programs Funded from April 1, 2015 to March 31, 2016

F: Federally Funded
P: Provincially Funded
D: Funded Through Donations

Aboriginal Friendship Centre of Calgary –Outreach and Cultural Reconnection (F)

This program offered cultural reconnection, outreach and referrals to chronically and episodically homeless Aboriginal individuals and families.

Aboriginal Friendship Centre of Calgary – Aboriginal Homeless Initiative (P)

This program offered Permanent Supportive Housing (PSH) and case management to chronically homeless Aboriginal singles.

Aboriginal Standing Committee on Housing and Homelessness (ASCHH) – Aboriginal Community Liaison (P, F)

This Committee supported Aboriginal peoples experiencing homelessness, as well as other economic, social and health issues. The Community Liaison supported the Committee's mission and priorities.

Accessible Housing Society – Bridge to Home (F, P)

This program provided PSH for chronically and episodically homeless individuals with physical disabilities and mobility issues by coordinating support services and collaborating with landlords.

Accessible Housing Society – New bridge (P)

This program provided specialized PSH in a place based environment for adults experiencing homelessness, who also had severe physical disabilities, with a focus on Aboriginal individuals.

Alpha House – Case Management (P)

This program provided supportive housing (SH) with case management to chronically and episodically homeless individuals with an active addiction in a scattered site model designed to promote community integration.

Alpha House – Transitional Bed Program (P)

These beds helped individuals stay connected to their housing and/or addiction treatment plans by providing support to the housing process and to address areas of concern. These beds also helped those recovering from illness, surgery or other health issues.

Alpha House – Downtown Outreach Addiction Partnership (DOAP) (P)

The DOAP team provided 24/7 crisis response to ensure that those staying outside can survive and to reduce interactions with emergency services such as police and ambulance.

Alpha House – Harm Reduction Housing (P)

This program offered PSH and case management for chronically homeless singles in a place based environment.

Alpha House – Aurora on the Park (P, F)

This program offered PSH and case management for chronically homeless singles in a fully accessible building who have mobility issues.

Alpha House – Permanent Supportive Housing (Community) (P)

This program provided PSH and case management for individuals with an active addiction and who were chronically or episodically homeless in a scattered site model designed to promote community integration.

Alpha House – Veterans Program (F, P)

The Veterans Program provided place based PSH and case management to high acuity, chronically homeless veterans.

Aspen Family and Community Network Society – Home Stay (P)

This prevention program was for families at imminent risk of homelessness. The goal was to maintain the families' existing housing by providing short-term case management and supports, as needed.

Aspen Family and Community Network Society – Sustainable Families (P)

This SH program provided case management, housing location and supports to families who were chronically and episodically homeless.

Boys and Girls Clubs of Calgary – Home Fire (P, F)

This SH program offered case management, housing location and supports for Indigenous youth who were experiencing homelessness.

Boys and Girls Clubs of Calgary – Aura (P, F)

This SH program offered case management, housing location and supports for LGBTQ2S youth who were Experiencing homelessness.

Boys and Girls Clubs of Calgary – Infinity Project (P, F)

This SH program offered case management, housing location and supports for youth who were experiencing homelessness.

Brenda's House – Family Emergency Shelter (P)

This emergency family shelter provided temporary housing and services, while families connected with appropriate programs, housing and supports.

Calgary Alternative Support Services – Langin Place (P)

Langin Place is PSH for single males. The agency provided day and evening support to tenants, as well as general maintenance and operations of the facility.

Calgary John Howard Society – Adult Housing Reintegration Program (P)

This program provided a scattered site SH program for chronically homeless men and women who were involved with the justice system.

Calgary John Howard Society – Roofs for Youth (F)

This was a SH program that provided case management and clinical supports for youth ages 15-24 who were exiting the justice system.

Calgary John Howard Society – Youth Residential Services (Raido House and Windsor Park) (F)

Raido House and Windsor Park programs provided Short-term Supportive Housing (STSH) to youth ages 14-24.

Calgary John Howard Society – Stepping Stone Manor (P)

This program offered PSH and case management for chronically homeless singles in a place-based environment.

Calgary Urban Project Society (CUPS) – Keys Case Management (P)

This program housed and provided case management to medium acuity couples and individuals who were staying in emergency shelters or rough sleeping.

CUPS – Graduate Rental Subsidy (P)

This program provided a rental subsidy to clients who had completed a Housing First program and who no longer required case management support.

CUPS – Inclusive Housing (P)

CUPS provided community building and support to clients living in CHF buildings.

Children’s Cottage Society – Emergency Placement & Outreach Program (P)

The program provides 37 days of emergency hotel placement to families with children under the age of 18 years old when shelter spaces are not available.

Children’s Cottage Society – Homelinks (P)

The program offered SH to homeless families, including case management, housing location, counselling and supports.

Children’s Cottage Society – Rapid Rehousing (P)

The program offered Rapid Rehousing services to homeless families, including case management, housing location, counselling and supports.

Discovery House – Community Housing Program (P)

This was a SH program for women and children experiencing domestic violence. The program provided case management, housing location, counselling and supports.

Distress Centre Calgary – Coordinated Access and Assessment (P)

The Distress Centre oversaw the coordinated intake program, doing screening and referral to the system of care through 211, the Safe Communities Opportunity and Resource Centre and partner agencies.

Inn from the Cold – Family Support Housing (P)

This SH program provided case management, housing location and client support for families who experienced homelessness.

Inn from the Cold – Journey House (P)

This program provides SH in a place based environment to single mothers with young children who have experienced homelessness.

Keys to Recovery – Keys to Recovery (P)

This program housed and supported single individuals who would otherwise have been discharged into homelessness from addictions treatment centres.

McMan Youth, Family and Community Services Association – Hope Homes (F)

This was a SH program for youth which offered case management, housing location and supports for youth ages 15 – 24 who were experiencing homelessness.

McMan Youth, Family and Community Services Association – Hope Homes Aboriginal (F)

This was a SH program for Aboriginal youth, offering case management, cultural reconnection, housing location and supports for youth ages 15 – 24 who were experiencing homelessness.

Metis Calgary Family Services – Rainbow Lodge (F, P)

This program offered PSH and cultural supports in a place based environment for Aboriginal families who have experienced homelessness.

The Alex – Home Base (P)

This program provided SH, including housing and case management supports to long-term, chronically or episodically homeless individuals with a history of emergency shelter use.

The Alex – Abbeydale (P)

This program provided PSH in a place based environment for chronically homeless singles with significant mental health and addiction issues.

The Alex – Pathways to Housing (P)

This program provided housing and Assertive Community Treatment supports to chronically homeless individuals, including those leaving hospitals and corrections and those with a history of emergency shelter use.

The Calgary Dream Centre – Living In Community (P)

This program provided permanent housing and case management support to those experiencing chronic and episodic homelessness.

Universal Rehabilitation Service Agency – Holland Street (P)

This program provided PSH specialized housing for Aboriginal adults experiencing homelessness, who also had severe disabilities.

Wood's Homes - New Horizon (P)

This was a HIS program for youth 18-24 years of age, which offered case management, housing location and supports for up to two years.

Wood's Homes - Roofs for Youth (F)

This was a SS, which offered case management and clinical supports for youth ages 15-24 who were exiting the justice system.

YWCA of Calgary - Mary Dover House (F)

This shelter provided crisis intervention and stabilization for women, then case management and support for rehousing.

YWCA - Croyden (P)

Single women experiencing homelessness in Calgary received permanent housing with case management and support.

YWCA - Providence (P, F)

Single women experiencing homelessness in Calgary received permanent housing with case management and support.
